

Home and Back

This is a game for two to five people.

Goal: Be the first person to make a round trip around the game board.

You will need:

- one dice
- spinner
- home cards
- game piece for each player
- game board

How to play:

1. All players roll a dice. The high scorer goes first.
2. Begin on the rectangle marked “Home and Back”
3. To take a turn, roll a single dice and spin the spinner. The spinner and dice together tell the player where to move on the game board.
4. The first player to travel around the board to the “Return” rectangle and then back to the “Home and Back” rectangle wins the game.
