Goal:
Create a pattern to eat.

You will need:
A bowl of multicolored crackers, a partner, a scoop, and two plates

What to do:
You and your partner will each need a plate. Place a scoop full of crackers on each plate. Arrange the crackers into a pattern. Take turns guessing and describing your partner’s pattern. When you have described the pattern, eat your cracker pattern. Make another cracker pattern if you are still hungry!

Snack Patterns

There are many types of patterns. Here are a few:
