

Cuisenaire Rods Eleven Through Twenty

Goal: Build with cuisenaire's 11 to 20.

You will need:

- Cuisenaire rod

How to play:

- Use the below criteria:

- This Cuisenaire rod is worth one unit.  = 1 Unit
- This Cuisenaire rod is worth ten

 = 10 Units

- Show how you would build the numbers 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20 with Cuisenaire rods.

To think about:

- Is there more than one way to do it?

 + _____ = 11 Units

 + _____ = 12 Units

 + _____ = 13 Units
