

FROG HEADBAND

Step 1: Pupils

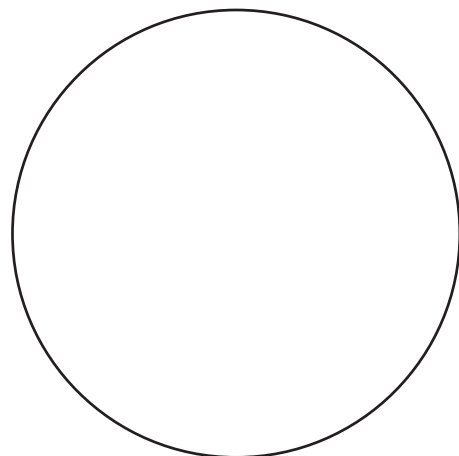

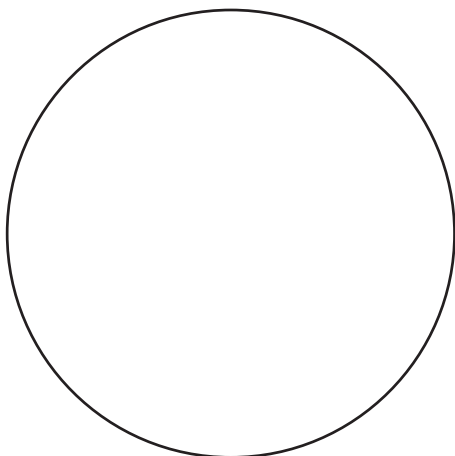

Cut out the black circles.

Step 2: Eye Whites

Cut out the white circles.

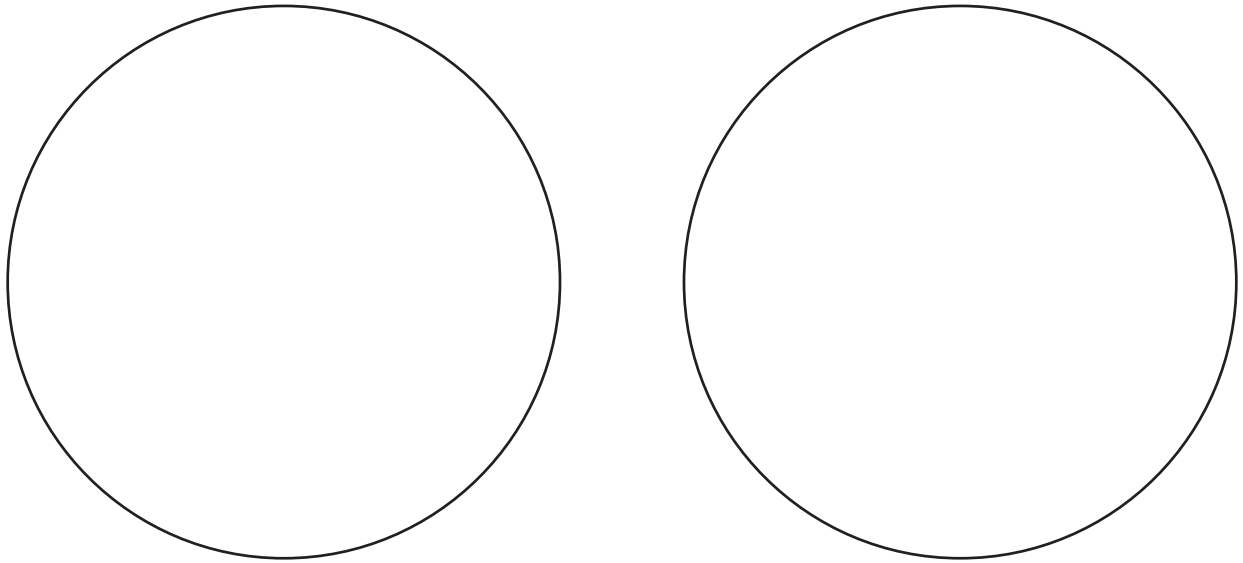

Glue the pupils (black circles) on top of the eye whites (white circles).

Step 3: Eyes

Cut out the green circles.

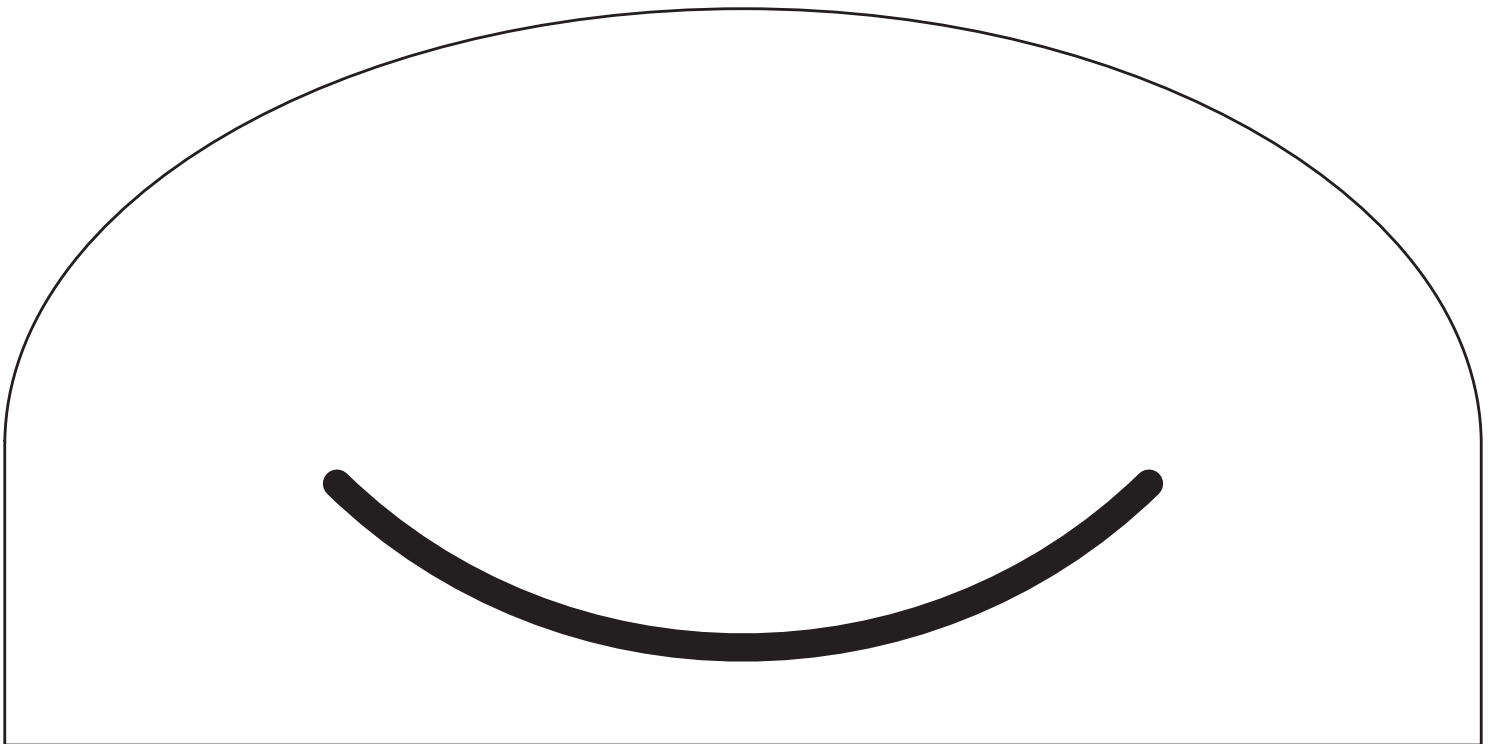

Glue the eye whites in the center of the green circles.

Step 4: Face

Cut out the frog face.

Glue the bottom half of the eyes to the frog face.

Step 5. Headband

Cut along the lines to make 3 strips.

Glue the frog face to one of the strips.

Tape a second strip to the end of the first strip.

Measure the headband around your head and adjust the fit by adding or overlapping strips.
