KINDERGARTENERS COUNT

COUNT AT THE PARK.

Find out how many shovels of sand a container will hold. Ask your child to try again with a different-sized shovel. What do they notice?

KINDERGARTENERS PLAY

MAKE A MYSTERY BAG

Drop several familiar items into a paper bag. Without looking, ask your child to describe their sizes, weights, textures and figure out what's in the bag.

KINDERGARTENERS EXPLORE

CREATE A REPEATING PATTERN.

After your child has made a pattern, ask them to explain the pattern, and tell you what comes next.

KINDERGARTENERS EXPLORE

ASK YOUR CHILD TO HELP YOU
MEASURE THROUGHOUT THE DAY.

**Allow extra time for your child to
measure laundry detergent and recipe
ingredients.**

Help them measure precisely.
